Robert Cundiff, Chair, 2022

I am happy to announce that 2022 has improved after two highly unusual years due to the COVID-19 pandemic. As a result, we have continued our efforts to ensure that Hawaii's regulatory review process does not lose momentum in driving a strong small business friendly regulatory environment.

While we have successfully adjusted to virtual monthly meetings that are open to the public, in 2022 the State of Hawaii's Sunshine Law has been modified by allowing for open board meetings that are accessible to the public, a positive sign for our members.

As we report on this past year's activity, I think it is important to note that our Board's strategic efforts to encourage State Agencies to engage with stakeholders prior to generating new or changed rules have significantly impacted the process in a positive way. While we love seeing our small business owners at meetings, we have noticed that many potential concerns are addressed prior to the rules coming to our Board and there are very few objections as we move through the process. This allows our small business owners to focus their time and energy on their business rather than having to attend public hearings. We want to thank our State Agencies and Counties for your proactive efforts to engage with stakeholders early in the process, listen to the impacts to their business and take their suggestions to heart.

This year, we welcomed two new members to our team, Ms. Tessa Gomes, and Mr. Sanford Morioka, both from Oahu. In addition, members William Lydgate, James (Kimo) Lee, and Jonathan Shick were re-appointed to the SBRRB. We now are operating with a complete board.

On behalf of all the board members, I extend a big Mahalo to our out-going Governor David Ige, DBEDT's Director Mike McCartney and Deputy Director Susan Hirai for their

continued support of this Board. We wish them well in their future endeavors. We also send out a big Mahalo to the State Legislature for its continued support of this Board, and to the State and County agencies that come before us discussing both proposed and amended regulations, before and after public hearing, that have a potential to negatively impact small business.

OVERVIEW

The Small Business Regulatory Review Board is pleased to provide the Annual Report Summary for the period covering January through December 2022. Pursuant to the Hawaii Small Business Regulatory Flexibility Act, Chapter 201M, Hawaii Revised Statutes, the annual summary is based on the following:

201M-5 Small business regulatory review board; powers.

(f) The board shall submit an annual report to the legislature twenty days prior to each regular session detailing any requests from small business owners for review of any rule adopted by a state agency, and any recommendations made by the board to an agency or the legislature regarding the need for a rule change or legislation. The report shall also contain a summary of the comments made by the board to agencies or the legislature regarding its review of any proposed new or amended rules.

ANNUAL SUMMARY

SMALL BUSINESS REGULATORY FLEXIBILITY ACT

The Small Business Regulatory Review Board was established on July 1, 1998, with the passage of the Small Business Regulatory Flexibility Act, pursuant to Act 168; subsequently the role of the Board was codified in Chapter 201M, Hawaii Revised Statutes (HRS), as amended.

(Appendix 1)

Statutorily, the Board is comprised of eleven members, ten current or former owners or officers of businesses from across the State, and the Director of Business, Economic Development, and Tourism (DBEDT), or the Director's designated representative who serves as an "ex officio" voting member. The Board is administratively attached to DBEDT and has responsibility for providing recommendations to State agencies on new and amended administrative rules that directly impact small business. The Board may also consider any request from small business owners for review of any rule proposed, amended, or adopted by a state agency and to make recommendations to the agency or the legislature regarding the need for a rule change or legislation. For requests regarding county rules, the board may make recommendations to the county council or the mayor for appropriate action.

Members volunteer their time performing outreach activities to small business organizations, such as the local Chambers of Commerce, and testifying on legislation. Statutorily, the Board may also solicit testimony from the public regarding any reports submitted to the Board by State departments.

As an effective means of administrative rule review, each board member is assigned to one or more State departments as a "discussion leader" and each neighbor island member is assigned to his or her own respective island. Members are responsible for the initial review of the

administrative rules of these departments and counties prior to consideration by the full Board.

As of December 2022, we are very happy to announce that the Board is operating at full capacity with 11 members.

ADMINISTRATIVE RULE REVIEW

Over the past two years, the Board reviewed a lower than usual number of Hawaii Administrative Rules largely as a result of COVID-19. From January through December 2022, a total of 25 rules, before and after public hearing, were reviewed from State Agencies.

Since its inception, the Board reviewed a total of sets of 1,008 proposed new and amended HAR. (Appendix 2)

					the stakeholders to meet prior to the public hearing to discuss the detrimental impacts and negative concerns addressed by the affected businesses.

REQUESTS FROM SMALL BUSINESS FOR REVIEW OF ANY RULE ADOPTED BY A STATE AGENCY

Under Section 201M-5, HRS, in 2022, the following requests from business owners were received.

- 1) A “regulation for review” was received from a property owner of a legal vacation rental on Maui regarding a concern over Maui County’s 3% County TAT. The SBRRB thanked the business owner for the request and referred the individual to the Mayor of County of Maui indicating that the SBRRB’s purview is to review Hawaii Administrative Rules and not County ordinances.
- 2) A “regulation for review” from Aloha Surf Adventures, LLC regarding HAR Chapter 13-256-152 expressed a concern that the proposed new rules may “put a lot of small business owners out of business on the Big Island.” This is because the “number of students and permits will likely force this business to let go all of his staff.” Aloha Surf suggested one permit per eight students with no time limit.

Response from the SBRRB was that this rule proposal on November 17th at the regularly scheduled board meeting and it was unanimously agreed to send it to the Governor for adoption. However, given Aloha Surf’s concerns, it was recommended that the concerns be submitted to the Governor (both current Governor and incoming Governor) with a copy to DOBOR/DLNR.
- 3) A “regulation for review” from Kona Town Surf Adventures for HAR Chapter 13-256-152 stated that “this new rule chokes out 90% of small businesses, operating at a Kahului Beach in Kailua Kona. By limiting the hours and the permits and the amount of people that can be taken out, it will essentially have to eliminate 90% of staff as well as

competitors.” It was suggested that the state make the rules the same as any other island but in particular, Maui, whereby Maui’s ordinances state that a permit can take out eight people and no surf lessons on Sunday and state holidays.

The Board responded that the SBRRB members reviewed this rule proposal on November 17th at the regularly scheduled board meeting and unanimously agreed to send it forward to the Governor for adoption. However, given Aloha Surf’s concerns, it was highly recommended that the concerns be submitted to the Governor (both current Governor and incoming Governor) with a copy to DOBOR/DLNR.

§201M-2 Determination of small business impact; small business impact statement. (a) Prior to submitting proposed rules for adoption, amendment, or repeal under section 91-3, the agency shall determine whether the proposed rules affect small business, and if so, the availability and practicability of less

restrictive alternatives that could be implemented. This section shall not apply to emergency rulemaking.

(b) If the proposed rules affect small business, the agency shall consider creative, innovative, or flexible methods of compliance for small businesses and prepare a small business impact statement to be submitted with the proposed rules to the departmental advisory committee on small business and the board when the rules are essentially complete and before the rules are submitted to the governor for approval for public hearing. The statement shall provide a reasonable determination of the following:

- (2) Description of the small businesses that will be required to comply with the proposed rules and how they may be adversely affected;

The agency shall also include an explanation of its decision to impose the higher standard. The agency's comparison and justification shall include:

- (1) A description of the public purposes to be served by imposing the standard under the proposed rule;
- (2) The text of the related federal, state, or county law, including information about the purposes and applicability of the law;
- (3) A comparison between the proposed rule and the related federal, state, or county law, including a comparison of their purposes and of the standards and their application and administration;
- (4) A comparison of the monetary costs and benefits to the implementing agency and other agencies directly affected, of imposing the proposed standard, with the costs and benefits of imposing or deferring to the related federal, state or county standard, as well as a description of the manner in which any additional fees derived from imposition of the proposed standard are to be used; and
- (5) A comparison of the adverse effects on small businesses of the standard imposed by the proposed rule, with the adverse effects on small business of the related federal, state, or county standard.

(d) This chapter shall not apply to proposed rules adopted by an agency to implement a statute or ordinance that does not require an agency to interpret or describe the requirements of the statute or ordinance, such as federally-mandated regulations that afford the agency no discretion to consider less restrictive alternatives. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5; am L 2007, c 217, §3; am L 2008, c230, §3]

§201M-3 Small business statement after public hearing. (a) For any proposed rule that affects small business, the agency shall also submit a small business statement to the small business regulatory review board and the departmental advisory committee on small business after the public hearing is held. This section shall not apply to emergency rules. The small business statement required by this section shall provide the following information:

- (1) A description of how opinions or comments from affected small business were solicited, a summary of the public and small business comments, and a summary of the agency's response to those comments;
- (2) The number of persons who:
 - (A) Attended the public hearing;
 - (B) Testified at the hearing; and
 - (C) Submitted written comments; and
- (3) If there was a request to change the proposed rule at the hearing in a way that affected small business, a statement of the reasons for adopting the proposed rule, the reason why a requested change was not made, and the problems or negative result the change would provide if adopted.

(b) If the small business regulatory review board finds that a statement provided pursuant to subsection (a) (3):

- (1) Indicates inconsistency with any of the agency's determinations under section 201M-2(b); or
- (2) Does not address the concerns of public input, the board with good cause may request a written response from the agency explaining the rationale used to deny the public concerns within ten working days of receipt of the small business statement after public hearing. The agency shall respond in writing to the board's concerns within ten working days.

(c) The written response from an agency required in subsection (b), at a minimum, shall:

- (1) Specifically address each issue and concern raised in the board's request for a written response; and

(a) There may be established within and administratively attached to every department of the State or county whose rules affect small business activities, an advisory committee on small business. The advisory committee shall consist of three or more odd number of members appointed by the department and may advise more than one department. The department shall have the authority to appoint members to the advisory committee and to fill any vacancies. The members shall serve on a volunteer basis and have experience or knowledge of the effect of

regulation by those departments on the formation, operation, or expansion of a small business. No person shall serve on the small business regulatory review board and an advisory committee on small business concurrently. The advisory committees shall not be subject to the requirements of chapter 91.

(b) When the agency is proposing rules that affect small business, the agency may consult with the administratively attached departmental advisory committee on small business regarding any matter related to the proposed rules prior to complying with the rulemaking requirements provided in chapter 91. Each agency shall develop its own internal management procedures for soliciting comments during the drafting of proposed rules from affected small businesses. The agency may develop creative procedures for the solicitation of comments from affected small businesses during the drafting or development of proposed rules.

(c) If necessary, any group or members of affected small businesses may also be consulted by the agency to formulate the relevant language, develop criteria, and provide any other expertise to ensure that the proposed rules will be drafted in a manner that will protect the public health, welfare, and safety without placing an undue and significant burden upon small business. If the board determines that a proposed rule will not have a significant economic impact on a substantial number of small businesses, the board shall submit a statement to that effect to the agency that sets forth the reason for the board's decision. If the board determines that the proposed rule will have a significant economic impact on a substantial number of small businesses, the board may submit to the agency suggested changes in the proposed rule to minimize the economic impact of the proposed rule, or may recommend the withdrawal of the proposed rule. The board may also consider any request from small business owners for review of any rule proposed, amended or adopted by a state agency and to make recommendations to the agency or the legislature regarding the need for a rule change or legislation. For requests regarding county rules, the board may make recommendations to the county council or the mayor for appropriate action.

(b) The board shall consist of eleven members, who shall be appointed by the governor pursuant to section 26-34; provided that:

- (1) Three members shall be appointed from a list of nominees submitted by the president of the senate;
- (2) Three members shall be appointed from a list of nominees submitted by the speaker of the house of representatives;

The report shall also contain a summary of the comments made by the board to agencies regarding its review of proposed new or amended rules. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §§3, 5; am L 2007, c 217, §4; am L 2012, c 241, §3]

- (2) The small business impact statement did not consider new or significant economic information that reveals an undue impact on small business;
- (3) These impacts were not previously considered at the public hearing on the rules;
- (4) The rules create an undue barrier to the formation, operation, and expansion of small businesses in a manner that significantly outweighs its benefit to the public;
- (5) The rules duplicate, overlap, or conflict with rules adopted by another agency or violate the substantive authority under which the rules were adopted; or
- (6) The technology, economic conditions, or other relevant factors justifying the purpose for the rules have changed or no longer exist.

(b) Upon submission of the petition, the agency shall forward a copy of the petition to the board, as notification of a petition filed under this chapter. The agency shall promptly consider the petition and may seek advice and counsel regarding the petition from the appropriate departmental advisory committee on small business. Within sixty days after the submission of the petition, the agency shall determine whether the impact statement or the public hearing addressed the actual and significant impact on small business. The agency shall submit a written response of the agency's determination to the small business review board within sixty days after receipt of the petition. If the agency determines that the petition merits

the adoption, amendment, or repeal of a rule, it may initiate proceedings in accordance with section 91-3.

(c) If the agency determines that the petition does not merit the adoption, amendment, or repeal of any rule, any affected small business may seek a review of the decision by the board. The board shall promptly convene a meeting pursuant to chapter 92 for the purpose of soliciting testimony that will assist in its determination whether to recommend that the agency initiate proceedings in accordance with section 91-3. The board may base its recommendation on any of the following reasons:

- (1) The actual effect on small business was not reflected in, or significantly exceeded, the impact statement submitted prior to the adoption of the rules;
- (2) The impact statement did not consider new or significant economic information that reveals an undue impact on small business;
- (3) These impacts were not previously considered at the public hearing on the rules;
- (4) The rules create an undue barrier to the formation, operation, and expansion of small businesses in the State in a manner that significantly outweighs its benefit to the public;
- (5) The rules duplicate, overlap, or conflict with rules adopted by another agency or violate the substantive authority under which the rules were adopted; or
- (6) The technology, economic conditions, or other relevant factors justifying the purpose for the rules have changed or no longer exist.

(d) If the board recommends that an agency initiate rulemaking proceedings for any reason provided in subsection (c), it shall submit to the legislature an evaluation report and the agency's response as provided in subsection (b). The legislature may subsequently take any action in response to the evaluation report and the agency's response as it finds appropriate.

(e) If the board does not recommend that an agency initiate rulemaking proceedings, the board shall notify the small business of its decision and inform the small business that the small business may submit a complaint to the ombudsman pursuant to chapter 96 regarding the decision of the agency or board.

(f) Nothing in this section shall entitle an affected small business to a contested case hearing under chapter 91. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5; am L 2007, c 217, §5]

§201M-7 Periodic review; evaluation report. (a) Each agency having rules that affect small business shall submit to the board by June 30 of each odd-numbered year, a list of those rules and a report describing the specific public purpose or interest for adopting the respective rules that affect small business and any other reasons to justify continue implementation of the rules; provided that, by June 30 of each year, each agency shall submit to the board a list of any rules to be amended or repealed, based upon any new, amended, or repealed statute that impacts small business.

(b) The board shall provide to the head of each agency a list of any rules adopted by the agency that affect small business and have generated complaints or concerns, including any rules that the board determines may duplicate, overlap, or conflict with other rules, or exceed statutory authority. Within forty-five days after being notified by the board of the list, the agency shall submit a written report to the board in response to the complaints or concerns. The agency shall also state whether the agency has considered the continued need for the rules and the degree to which technology, economic conditions, and other relevant factors may have diminished or eliminated the need for maintaining the rules.

(c) The board may solicit testimony from the public regarding any report submitted by the agency under this section at a public meeting held pursuant to chapter 92. Upon consideration of any report submitted by an agency under this section and any public testimony, the board shall submit an evaluation report to the legislature each even-numbered year. The evaluation report shall include an assessment as to whether the public interest significantly outweighs a rule's effect on small business and any legislative proposal to eliminate or reduce the effect on small business. The legislature may take any action in response to the report as it finds appropriate. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5; am L 2007, c 217, §6; am L 2012, c 241, §4]

§201M-8 Waiver or reduction of penalties. (a) Except where a penalty or fine is assessed pursuant to a program approved, authorized, or delegated under a federal law, any agency authorized to assess civil penalties or fines upon a small business shall waive or reduce any penalty or fine as allowed by federal or state law for a violation of any statute, ordinance, or rules by a small business under the following conditions:
