Jonathan Shick, Chair, 2024

I am delighted to be elected the SBRRB's Chair this year. As a small business advocate, I understand the need for the SBRRB to review Hawaii Administrative Rules for potential small business impact. The SBRRB reviewed a total of 1,088 Rules since it was created in 1998.

In June, the SBRRB bid fond farewell to long-time Oahu-based board member, Dr. Nancy Atmospera-Walch and to Kauai business owner Mr. William Lydgate. I want to personally thank them both for their participation and hard work over the past several years. We are, however, delighted to announce our newest members, Ms. Nikki Ige, a resident of Kauai, and Dr. Jennifer Salisbury from Maui.

On behalf of the board members, I extend a big Aloha to Governor Josh Green, M.D., and Lieutenant Governor Sylvia Luke. Aloha goes out to DBEDT Director Jimmie Tokioka and Deputy Director Dane Wicker for their support of our Board. In addition, Mahalo to the State Legislators; in particular, for their support of House Bill 2354 HD1 SD2 CD1 "Relating to the Small Business Regulatory Review Board." This measure became law on June 21, 2024, and solidifies the Board's authority to review small business legislation upon the request of a small business owner.

Finally, a big Mahalo to all those State and County agencies that came before us this year, discussing proposed and amended regulations that have potential to negatively impact small business both before and after the public hearings.

OVERVIEW

The Small Business Regulatory Review Board is pleased to provide the Annual Report Summary for the period covering January through December 2024. Pursuant to the Hawaii Small Business Regulatory Flexibility Act, Chapter 201M, Hawaii Revised Statutes, the annual summary is based on the following:

201M-5 Small business regulatory review board; powers.

(f) The board shall submit an annual report to the legislature twenty days prior to each regular session detailing any requests from small business owners for review of any rule adopted by a state agency, and any recommendations made by the board to an agency or the legislature regarding the need for a rule change or legislation. The report shall also contain a summary of the comments made by the board to agencies or the legislature regarding its review of any proposed new or amended rules.

ANNUAL SUMMARY

SMALL BUSINESS REGULATORY FLEXIBILITY ACT

The Small Business Regulatory Review Board was established on July 1, 1998, with the passage of the Small Business Regulatory Flexibility Act, pursuant to Act 168; subsequently the role of the Board was codified in Chapter 201M, Hawaii Revised Statutes (HRS), as amended.

(Appendix 1)

Statutorily, the Board is comprised of eleven members, ten current or former owners or officers of businesses from across the State, and the Director of Business, Economic Development, and Tourism (DBEDT) or the Director's designated representative who serves as an "ex officio" voting member. The Board is administratively attached to DBEDT and has responsibility for providing recommendations to State agencies on new and amended administrative rules that directly impacts small business. The Board may also consider any request from small business owners for review of any rule proposed, amended, or adopted by a state agency or for review of any legislation affecting small businesses, and to make recommendations to the agency or the legislature regarding the need for a rule change or legislation. For requests regarding county rules, the board may make recommendations to the county council or the mayor for appropriate action.

Members volunteer their time performing outreach activities to small business organizations, such as the local Chambers of Commerce, and testifying on legislation. Statutorily, the Board may also solicit testimony from the public regarding any reports submitted to the Board by State departments.

As an effective means of administrative rule review, each board member is assigned to one or more State departments as a "discussion leader" and each neighbor island member is

assigned to his or her own respective island. The assignments are reviewed regularly to ensure that the listing is complete and is equal among the members. Each member is responsible for the initial review the administrative rules of these departments and counties prior to consideration by the full Board. As of December 2024, the Board is operating at near full capacity with 10 members.

ADMINISTRATIVE RULE REVIEW

From January through December 2024, a total of 35 Rules, before and after public hearings, were reviewed from State and County Agencies.

Since its inception, the Board reviewed a total of 1,088 proposed new and amended Rules. (Appendix 2)

LEGISLATIVE ACTIVITY

During 2024, the Governor’s Legislative team approved the Board’s proposal to amend its statute to clarify that, in addition to considering any request from small business owners for review of any rule, proposed, amended, or adopted by a state agency, the Board has the authority to review legislation affecting small businesses in response to requests from small business owners.

See “Legislative Review” at the end of this report for legislation the Board followed in 2024.

SMALL BUSINESS IMPACT STATEMENT *and* GOVERNOR’S ADMINISTRATIVE DIRECTIVE (AD) NO. 18-02

Under Section 201M-2, HRS, State agencies wanting to adopt new or modified administrative rules that have an impact on small business are required to submit to the Board a small business impact statement showing the economic impact on those businesses.

Except for the ex officio member, all members are either a current or former owner or officer of a business and shall not be an officer or employee of the federal, state, or county government.”

REQUESTS FROM SMALL BUSINESS FOR REVIEW OF ANY RULE ADOPTED BY A STATE AGENCY

Under Section 201M-5, HRS, in 2024, the following requests from business owners were received.

- 1) In May, Ms. Katherine Thompson, representing Kamaaina Boaters and Recreational Facebook Group, submitted a “Regulation for Review” for Section 200-13.5 Vessel Insurance. The request pertained to DLNR’s DOBOR requiring mandatory insurance on Hawaii residents who use State Boats or own recreational boats with a value less than \$100,000. Approximately 2,500 boaters in State Harbors that moor their boats in State harbors or use State boat ramps are impacted by this mandate.

The SBRRB informed Ms. Thompson that due to the SBRRB’s purview under Chapter 201M, HRS, which is to review Hawaii Administrative Rules that negatively impact Hawaii small businesses, the Board is unable to assist with her statutory concerns.

However, the Board recommended that she approach DLNR (DOBOR) and DCCA’s Insurance Division to help assist with the boaters’ concerns.

- 2) In July, the Chamber of Commerce of Hawaii approached this Board requesting how the State of Hawaii can align and support each other for the betterment of the small business community regarding recent TikTok “hack” that negatively impacted a small business.

The hack disinforms small businesses to dispute their credit card charge after paying for a good or service.

The SBRRB responded to the Chamber of Commerce of Hawaii by indicating that due to the SBRRB’s purview under Chapter 201M, HRS, the Board is unable to assist with these very important concerns. However, it was recommended that the State of Hawaii Senate

and House Representatives be approached to contemplate introducing a measure to help counter and restrict these fraudulent acts.

§201M-2 Determination of small business impact; small business impact statement. (a) Prior to submitting proposed rules for adoption, amendment, or repeal under section 91-3, the agency shall determine whether the proposed rules affect small

business, and if so, the availability and practicability of less restrictive alternatives that could be implemented. This section shall not apply to emergency rulemaking.

(b) If the proposed rules affect small business, the agency shall consider creative, innovative, or flexible methods of compliance for small businesses and prepare a small business impact statement to be submitted with the proposed rules to the departmental advisory committee on small business and the board when the rules are essentially complete and before the rules are submitted to the governor for approval for public hearing. The statement shall provide a reasonable determination of the following:

- (1) The businesses that will be directly affected by, bear the costs of, or directly benefit from the proposed rules;
- (2) Description of the small businesses that will be required to comply with the proposed rules and how they may be adversely affected;

- (4) The probable monetary costs and benefits to the implementing agency and other agencies directly affected, including the estimated total amount the agency expects to collect from any additionally imposed fees and the manner in which the moneys will be used;
- (5) The methods the agency considered or used to reduce the impact on small business such as consolidation, simplification, differing compliance or reporting requirements, less stringent deadlines, modification of the fines schedule, performance rather than design standards, exemption, or any other mitigating techniques;
- (6) How the agency involved small business in the development of the proposed rules; and
- (7) Whether the proposed rules include provisions that are more stringent than those mandated by any comparable or related federal, state, or county standards, with an explanation of the reason for imposing the more stringent standard.

(c) When a proposed rule includes provisions that are more stringent than those mandated by any comparable or related

federal, state, or county standards, the agency shall, in addition to the information required by subsection (b), include in the small business impact statement information comparing the costs and benefits of the standard set by the proposed rule to the costs and benefits of the standard under the comparable or related federal, state or county law. The agency shall also include an explanation of its decision to impose the higher standard. The agency's comparison and justification shall include:

- (1) A description of the public purposes to be served by imposing the standard under the proposed rule;
- (2) The text of the related federal, state, or county law, including information about the purposes and applicability of the law;
- (3) A comparison between the proposed rule and the related federal, state, or county law, including a comparison of their purposes and of the standards and their application and administration;
- (4) A comparison of the monetary costs and benefits to the implementing agency and other agencies directly affected, of imposing the proposed standard, with the costs and benefits of imposing or deferring to the related federal, state or county standard, as well as a description of the manner in which any additional fees derived from imposition of the proposed standard are to be used; and
- (5) A comparison of the adverse effects on small businesses of the standard imposed by the proposed rule, with the adverse effects on small business of the related federal, state, or county standard.

(d) This chapter shall not apply to proposed rules adopted by an agency to implement a statute or ordinance that does not require an agency to interpret or describe the requirements of the statute or ordinance, such as federally-mandated regulations that afford the agency no discretion to consider less restrictive alternatives. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5; am L 2007, c 217, §3; am L 2008, c230, §3]

§201M-3 Small business statement after public hearing. (a) For any proposed rule that affects small business, the agency shall also submit a small business statement to the small business regulatory review board and the departmental advisory committee on small business after the public hearing is held. This section shall not apply to emergency rules. The small business statement required by this section shall provide the following information:

- (1) A description of how opinions or comments from affected small business were solicited, a summary of the public and small business comments, and a summary of the agency's response to those comments;
- (2) The number of persons who:
 - (A) Attended the public hearing;
 - (B) Testified at the hearing; and
 - (C) Submitted written comments; and
- (3) If there was a request to change the proposed rule at the hearing in a way that affected small business, a statement of the reasons for adopting the proposed rule, the reason why a requested change was not made, and the problems or negative result the change would provide if adopted.

(b) If the small business regulatory review board finds that a statement provided pursuant to subsection (a) (3):

- (1) Indicates inconsistency with any of the agency's determinations under section 201M-2(b); or
- (2) Does not address the concerns of public input, the board with good cause may request a written response from the agency explaining the rationale used to deny the public concerns within ten working days of receipt of the small business statement after public hearing. The agency shall respond in writing to the board's concerns within ten working days.

(c) The written response from an agency required in subsection (b), at a minimum, shall:

- (1) Specifically address each issue and concern raised in the board's request for a written response; and
- (2) Affirmatively state that the agency has considered all written and oral testimony received at the agency's public hearing and has addressed all issues or concerns raised in the written or oral testimony. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5; am L 2012, c 241, §2]

[\$201M-4] Advisory committee on small business; consultation process for proposed rules. (a) There may be established within and administratively attached to every department of the State or county whose rules affect small business activities, an advisory committee on small business. The advisory committee shall consist of three or more odd number of members appointed by the department and may advise more than one department. The department shall have the authority to appoint members to the advisory committee and to fill any vacancies. The members shall serve on a volunteer basis and have experience or knowledge of the effect of

regulation by those departments on the formation, operation, or expansion of a small business. No person shall serve on the small business regulatory review board and an advisory committee on small business concurrently. The advisory committees shall not be subject to the requirements of chapter 91.

(b) When the agency is proposing rules that affect small business, the agency may consult with the administratively attached departmental advisory committee on small business regarding any matter related to the proposed rules prior to complying with the rulemaking requirements provided in chapter 91. Each agency shall develop its own internal management procedures for soliciting comments during the drafting of proposed rules from affected small businesses. The agency may develop creative procedures for the solicitation of comments from affected small businesses during the drafting or development of proposed rules.

(c) If necessary, any group or members of affected small businesses may also be consulted by the agency to formulate the relevant language, develop criteria, and provide any other expertise to ensure that the proposed rules will be drafted in a manner that will protect the public health, welfare, and safety without placing an undue and significant burden upon small business. [L 1998, c 168, pt of §2, §5; am L 2002, c 202, §5]

§201M-5 Small business regulatory review board; powers. (a) There shall be established within the department of business, economic development, and tourism, for administrative purposes, a small business regulatory review board to review any proposed new or amended rule. If the board determines that a proposed rule will not have a significant economic impact on a substantial number of small businesses, the board shall submit a statement to that effect to the agency that sets forth the reason for the board's decision. If the board determines that the proposed rule will have a significant economic impact on a substantial number of small businesses, the board may submit to the agency suggested changes in the proposed rule to minimize the economic impact of the proposed rule, or may recommend the withdrawal of the proposed rule. The board may also consider any request from small business owners for review of any rule proposed, amended or adopted by a state agency or for review of any legislation affecting small businesses, and to make recommendations to the agency or the legislature regarding the need for a rule change or legislation. For requests regarding county rules, the board may make recommendations to the county council or the mayor for appropriate action.

(b) The board shall consist of eleven members, who shall be appointed by the governor pursuant to section 26-34; provided that:

- (1) Three members shall be appointed from a list of nominees submitted by the president of the senate;
- (2) Three members shall be appointed from a list of nominees submitted by the speaker of the house of representatives;
- (3) Two members shall be appointed from a list of nominees submitted by the board;
- (4) Two members shall be appointed by the governor;

(b) The board shall provide to the head of each agency a list of any rules adopted by the agency that affect small business and have generated complaints or concerns, including any rules that the board determines may duplicate, overlap, or conflict with other rules, or exceed statutory authority. Upon consideration of any report submitted by an agency under this section and any public testimony, the board shall submit an evaluation report to the legislature each even-numbered year.
